**BLOOMINGTON TOWNSHIP**  
Monroe County, Indiana  
**TOWNSHIP ASSISTANCE GUIDELINES**  
Revised, July 2016

**I. Introduction (IC 36-6-4; 12-20-5-1 thru 12-20-5.5-6)**

In the state of Indiana, the Township Trustee is charged with the responsibility of serving and assisting poor and needy persons residing in the Township. The office of the Trustee is designed to provide temporary relief in emergency situations when a township resident has exhausted other means of relief. See Appendix 1.

Applicants requesting assistance from the Trustee are entitled to be treated with respect and dignity. Likewise, the Trustee expects that the Township staff be treated with respect and courtesy by all applicants. The Township shall report all suspected cases of abuse or neglect to the proper authorities. The office of the Bloomington Township Trustee will provide assistance based on the following guidelines, which are posted at the Township office and on file with the Monroe County Commissioners.

The Trustee may provide assistance with food, shelter and utilities and certain other basic necessities. In order to qualify for and receive assistance, applicants must meet the requirements of these guidelines. ALL APPLICANTS AND ALL ADULT HOUSEHOLD MEMBERS MUST:

- ☐ Be residents of Bloomington Township;
- ☐ Meet income guidelines;
- ☐ Be employed full time (min. 30 hrs./week); seeking full time employment; performing workfare; or medically exempted from performing work;
- ☐ Cooperate with the Township's investigation of their circumstances by providing information and signing an application;
- ☐ Apply for any and all other public assistance programs for which they may be eligible;
- ☐ Seek assistance from their family.

This section is intended simply as an overview. Types of assistance available and eligibility criteria are explained in detail in other sections of these guidelines.

Bloomington Township evaluates each applicant based on these standards and will not discriminate based on race, color, creed, sex, sexual orientation, political affiliation, source of income, national origin, disability status or any other arbitrary condition which operates to defeat the broad statutory purpose of providing assistance to needy families.

Township employees are ineligible for assistance. Relatives of employees (see Appendix I) who reside in Bloomington Township must have their application for assistance reviewed and decided by the Perry Township Trustee or her/his designee. Refer to Sections III and V for further guidance.

**II. Trustee Office Hours**

**A. Location and Hours (IC 12-20-5.5-2)**

The office of the Bloomington Township Trustee, Lillian Henegar, is located at 2111 W. Vernal Pike, Bloomington, Indiana 47404. The office is open 9:00-12:00 and 1:00-4:00 Monday through Friday, excluding holidays. The telephone number is (812) 336-4976. The Township website is [www.bloomingtontownship.in.gov](http://www.bloomingtontownship.in.gov).

The office will also be closed for the staff to participate in programs or seminars conducted by the Indiana Township Association (ITA) and United Township Association (UTA) or other agencies, including internal training or staff meetings. A 24-hour notice will be posted prior to the closing.

Appointments may be made by appearing at the office in person during business hours. The individual shall be given an application for assistance and a list of documents and forms needed to complete the application. An appointment will be scheduled at that time for an interview, unless an urgent emergency need exists (utility disconnection, medical, burial) in which case the person could be seen immediately. For the interview, the application and all requested information must be complete.

***B. Deputy Trustee (IC 36-6-7-2; IC 12-20-4-2)***

The Trustee shall appoint a Deputy Trustee who shall have all powers of the Trustee in the Trustee's absence. The Deputy Trustee is Lisa Myers.

**III. Application Process (IC 12-20-6-0.5 thru 12-20-6-10; IC 12-20-7-1 thru 12-20-7-6; IC 12-20-8-1 thru 12-20-8-7; IC 12-20-16-1 thru 12-20-16-17)**

***A. Initial Assistance***

Applicants are entitled to seek township assistance by filling out and signing an application/affidavit, known as form T.A.1, and other forms, and by affirming their current financial situation. All applicants must use this form and all adult household members must sign the form in the presence of a township caseworker. No verbal requests will be considered. Applicants needing special aid, readers, or interpreters to make an application should notify a caseworker/investigator regarding the type of accommodation needed. All adults in the household must come in for the appointment. Only work related absences will be excused, and those excused adults must, within 24 hours of the date of the appointment, meet with the caseworker to complete the interview and the application process and to sign the application with the caseworker witnessing the signature.

Applicants will be required to cooperate with an investigation of their personal finances, family responsibility, and eligibility to receive other types of assistance. This investigation may include a home visit and/or contact with their relatives who may be able and willing to assist them. Applicants may be requested to provide relevant information that the Trustee may consider in determining eligibility (See Appendix I of the Guidelines). All relevant information must be provided at the time of application, or the application may be denied. As soon as reasonably possible, applicants will be required to apply for any other assistance for which they may be eligible. The application will not be considered complete until all information the applicant is required to provide is received, and the application is signed by all adult household members.

Knowingly and willfully falsifying the affidavit, misrepresenting the facts, or withholding vital information is considered fraud. If the Township finds that an applicant or household member has falsified her/his application for township assistance, the Township will refuse to extend aid for 60 days from the date of the falsified application or date falsification became known. A criminal referral to the County Prosecutor's Office may be made.

***B. Case Investigator Assigned***

When an applicant first visits the Trustee's office, an investigator will be assigned to handle the case. All contacts with the Trustee's office should be made through the applicant's investigator, who will pass on the necessary information to the Trustee. During the application procedure, the investigator may ask that the applicant meet with the Trustee. Failure to keep an appointment with the Trustee may be considered non-cooperation and may be grounds for denial of any assistance requested.

***C. Additional or Continuing Assistance***

To receive township assistance more than once within 180 days, a current application/affidavit must have been filed with the Trustee's office within 180 days of receiving such assistance. If at the time assistance is requested, a current application/affidavit is not on file, applicants will be required to complete a new one. Applicants must provide any updated information, which may have changed since their most recent application including income, available resources, employment status, number in household and other pertinent matters.

#### ***D. Relatives of Township Employees***

Relatives of Township employees (see Appendix I of the Guidelines for definition) may make application for township assistance. They will be given an application and referred to the Perry Township Office for an appointment and further investigation.

Applicants must follow that township's procedures and will be required to cooperate with an investigation of their personal finances, family responsibility, and eligibility to receive other types of assistance. All other Bloomington Township Guidelines and requirements apply. The Perry Township Trustee or designee will make the determination for assistance, which Bloomington Township will fulfill by either issuing the voucher or the letter of denial.

#### **IV. Applicant Residency Requirement (IC 12-20-8-1 thru 12-20-8-7)**

**A. *Determining Residency*** – It is necessary for the Township to make some determination as to an applicant's living arrangements and whether the applicant is physically living in the Township, and whether or not the applicant intends to make the Township her/his permanent place of residence. Except for verified emergencies affecting applicants who are temporarily in the Township, applicants must be residents of the Township. This will not be interpreted to mean that individuals living in adjoining townships should come to Bloomington Township for assistance. The township in which they presently reside or are found to be in distress is still obligated to investigate the circumstances of the distressed person(s) and render whatever assistance is necessary. Bloomington Township may refer individuals falling into this category to the appropriate township. Bloomington Township will provide assistance, as required by law, for transients who request to return to their permanent residence. The following items may be used to determine residency or the person's intent to make the Township her/his permanent residence: current driver's license, state ID card, current utility bill, US Postal Service change of address notification, and current lease for housing.

**B. *Temporary Residence with Friends, Relatives*** – Residence and Household shall not mean temporary living arrangements made available by relatives (see Appendix I of the Guidelines), friends, acquaintances, or private or public social service agencies. Bloomington Township will investigate the applicant's residency prior to the temporary arrangement. If residency cannot be established, then Bloomington Township will treat the applicant as if s/he is a Bloomington Township resident.

**C. *Temporarily Living in Another Township*** – Individuals temporarily living in another township when their immediate past residency was in Bloomington Township will not be denied benefits on the grounds of residency.

**D. *Institutional Time and Illegal Immigration*** – Institutionalized persons will be considered residents of the township where they lived before their admission. This includes time spent in any institution, or in any public or private charitable institution or hospital, or in any place while in the armed forces of the United States. Individuals in the United States without the permission of the Immigration and Naturalization Service are ineligible to receive township assistance.

#### **V. Eligibility Requirements**

##### ***A. General Requirements (IC 12-20-5.5-1 thru 12-20-5.5-6; IC 12-20-6-0.5 thru 12-20-6-10)***

In addition to being residents of Bloomington Township, all applicants must be at least eighteen (18) years of age or provide legal proof of emancipation. Applicants must provide proof of identification. Applicant and all members of the applicant's household must cooperate with the Trustee's investigation of eligibility for assistance.

The Trustee may refuse to provide assistance that would pay for goods or services provided during a period that an applicant has previously applied for and been denied township assistance by Bloomington Township or by any other township.

***B. Employment Requirement (IC 12-20-10-1 thru 12-20-10-4)***

Every adult member of the family of the applicant's household who is physically and mentally able to work must be employed full time or be actively seeking full time employment or the application may be denied. The Trustee may refuse to furnish any assistance until satisfied that all eligible adults in the household are working or trying to find work.

For the purposes of these guidelines, full time employment shall mean income raising activity that raises at least the equivalent of 30 hours per week times the current federal minimum wage.

All eligible household adults may be required to show evidence of employment or, if unemployed, of seeking employment at a minimum of three establishments each week. Employment sought and secured must be enough hours and/or pay to cover basic living expenses. All eligible household adults may be required to register with Work One and maintain an updated employment file. All able-bodied adult household members will be required to accept employment at the federal minimum wage level. The Township may also require any adult member of the household to complete a Township Employment Search Form prior to receiving assistance a second time.

If the Trustee offers workfare to those able, or if employment at a reasonable compensation is offered by another person, no assistance shall be furnished unless and until such work is accepted and performed.

The Trustee may require that an applicant or household member(s) attend job training courses as a condition of continuing assistance.

***C. Employment Requirement Exemption (IC 12-20-11-1)***

An applicant or household member may be exempted from working, seeking employment or performing workfare for a specified period if s/he either:

- ☐ Shows a licensed medical doctor's written statement of medical disability; or
- ☐ Is enrolled in and attending adult education or vocational courses at the referral of the Trustee; or
- ☐ Is required to provide care for a household or family member due to health, age or disability, as confirmed by a doctor's written statement; or
- ☐ Applicant or household member is a minor or is over 65 years old.

The Trustee may require written verification of the above.

The Trustee may require and provide for any medical examination necessary to determine if an applicant or household member is able to perform work.

***D. SSI/SSI (D) Reimbursement Authorization (IC 12-20-27-1.5)***

On the date of application, a person applying for assistance who claims disability and is applying for SSI or SSI (D) benefits must sign a SSI Reimbursement Authorization Form supplied by the Township.

***E. Other Resources/Assets (IC 12-7-2-44.7)***

Township assistance is designed to provide for basic living needs when no other resources are available. Countable assets such as bank accounts, investments, property other than that required for living; vehicles not required for transportation to work; anticipated assets (i.e. upcoming payroll checks, unemployment checks, child support, TANF, income tax refunds, social security checks, retirement account and refundable portions of tuition payments) are considered resources available to the applicant and may affect eligibility for assistance.

Based on the circumstances in each case, the Trustee may determine that certain countable assets must be liquidated before assistance is granted, or that their market value be deducted from any assistance granted.

***F. Support by Relatives (IC 12-20-6-9a; IC 12-20-6-10b)***

If an applicant or a member of the applicant's household has a relative living in the Township, the Township Trustee shall ask the relative to help before granting aid a second time. If the relatives refuse, the Trustee may assist the applicant.

***G. Bills 30 Days Past Due Not Eligible (IC 12-20-16-3)***

The Trustee shall not be required to pay rent, mortgage, or utility bills that are more than 30 days past due, nor shall the Trustee be required to pay bills incurred in another township. Inability to provide a bill to substantiate a request for assistance may result in a delay in processing the request; refusal or failure to provide such a bill may be grounds for denial of assistance.

Persons who request assistance for rent, mortgage, or utility bills that are more than 30 days past due will be required to submit relevant income and documentation of expenditures as required by other sections of these guidelines for the period in which the debt was incurred to determine if the applicant met all conditions for receiving assistance during that period. See Example in Appendix 1 of the Guidelines.

The Trustee may assist in payment of non-qualifying bills only if the applicant can prove that all reasonable effort was made to provide for the service during the period in question, and if the applicant meets all other requirements of these guidelines.

***H. Acceptable Expenditures for Basic Necessities (IC 12-20-5.5-6)***

Applicants are expected to apply their resources toward basic necessities (see Appendix 1 of the Guidelines). Expenditures for items other than basic necessities, or for excessive expenditures not justified by medical or employment needs, will be deducted from an approved applicant's benefit level, or may be used as a basis for denial if the amount exceeds the applicant's benefit level or the amount of assistance requested.

Certain expenditures, even if court-ordered, that the applicant may be legally required to make may not be considered acceptable expenditures in determining eligibility and may be deducted from any benefit awarded.

***I. Township Employees and Their Relatives***

Township employees are ineligible for assistance. Relatives of employees (see Appendix 1 of the Guidelines) who reside in Bloomington Township may apply for township assistance. However, their application for assistance will be reviewed and decided by the Perry Township Trustee or her/his designee. The applicant is expected to comply with all other guidelines and to cooperate fully with the Perry Township Office. Also see Section III of the Guidelines.

**VI. Income Guidelines (IC 12-20-5.5-6)**

***A. Countable Household Income***

An applicant's countable household income (see Appendix 1 of the Guidelines), for 30 days prior to the application or for the period in which assistance is requested, must be less than the monthly amounts listed in Appendix 5 of the Guidelines in order to be eligible for township assistance. Applicants must also meet all other requirements of the Township Guidelines. Income guidelines are at 100% of the Federal Poverty Guidelines as set by the U.S. Department of Health & Human Services and are updated annually.

***B. Lump Sum Income***

If lump sum income, such as tax refunds, court settlements, financial aid refunds, retroactive social security payments, insurance settlements, or workers compensation received in the last 90 days and combined with other countable household income, is more than three times the qualifying monthly income, 90 days' income may be considered in determining eligibility.

Applicants whose income falls within the Guidelines must prove that their necessary living expenses are greater than their resources in order to be eligible for assistance.

**VII. Determination of Needs/Forms of Assistance Provided (IC 12-20-16-1 thru 12-20-16-17)**

***A. Trustee to Determine Needs***

The Trustee shall determine if an eligible applicant has any of the following immediate needs. The Trustee has the authority to provide assistance in the most economical and practical manner. Purchase orders must be picked up, signed by the vendor, and returned to the Township within 30 days of approval date or the purchase order will be voided.

***B. Food (IC 12-20-16-5)***

The Trustee may furnish food necessary to maintain health. Food purchase orders may be issued on a daily, weekly or monthly basis and shall not exceed the weekly amount of current federal SNAP benefits, commonly called food stamps, as listed in Appendix 5 of the Guidelines.

Only good nutritious foods shall be purchased with food purchase orders along with necessities such as soap, laundry supplies and paper products. Purchase orders are not to be used for the purchase of candy, soft drinks, tobacco products, snacks, imported foods, cookies or alcoholic beverages. Purchase of such items shall be considered abuse of food purchase orders and will be grounds for future denial.

Any individual or family applying to the Trustee for food shall be referred to the Family and Social Services Administration (FSSA) to determine eligibility for SNAP benefits as required by law. The Trustee will not provide purchase orders to supplement SNAP benefits except in extreme circumstances such as loss, theft or medical emergency.

***C. Non-Food Items (IC 12-7-2-20.5)***

Necessary household supplies such as soap, laundry supplies and paper products will be issued in the weekly allotments listed in Appendix 5 of the Guidelines.

***D. Shelter (IC 12-20-16-17)***

The Trustee may help provide shelter as needed on a month-by-month basis. Assistance will be provided in whatever form necessary to provide or prevent the loss of shelter so long as such aid constitutes the most economical and practical means of providing shelter. A valid lease that includes landlord's name, address and phone number, amount of monthly rent and the number of individuals residing in the household is required. The Trustee may provide for an inspection of current or proposed shelter to ensure its habitability prior to granting shelter assistance. The Township may require that rental properties conform to applicable building and health codes before rent will be approved. The landlord must agree not to evict the applicant during the period covered by the township purchase order.

The Trustee will not issue a rent purchase order to supplement any rent subsidy, supplement or other government rent assistance unless a special emergency need exists. The Trustee will not pay rent deposits or late fees or damage or maintenance costs. The Trustee may not provide rent or mortgage payment without proof applicant will be able to continue to pay the monthly rent or mortgage.

The Trustee will not pay legal costs related to an eviction.

The Trustee is not required to pay for additional shelter costs as a result of the applicant keeping pets. A service dog is considered a medical necessity, not a pet, but the need must be documented by a physician's statement.

Rent purchase orders shall be provided in amounts not exceeding those listed in Appendix 5 of the Guidelines.

Bloomington Township maintains an emergency shelter, Rosie's Place, in partnership with New Hope Family Services. Shelter may be provided for a limited time until the applicant can make other arrangements.

The agreement for housing in Rosie's Place is incorporated in the Township Guidelines as Appendix 4. Violation of the agreement shall be grounds for denial of future assistance.

Under IC 12-20-6-10, the Trustee may not use township assistance funds to pay the cost of an applicant's shelter with a relative who is the applicant's landlord. This applies if the applicant lives in the same household as the relative or in housing separate from the relative where either the housing is unencumbered by mortgage or the housing has not been previously rented by the relative to a different tenant at reasonable market rates for at least 6 months.

If shelter payments are made to a relative of a township assistance applicant on behalf of the applicant or a member of the applicant's household, the Trustee may file a lien against the relative's real property for the amount of township shelter assistance granted.

***E. Utilities/Fuel (IC 12-20-16-3)***

The Trustee may, as necessary to prevent the loss of service, authorize the payment from township assistance funds for essential utility services including water, gas and electric services; and if used for heating or cooking, coal, wood, liquid propane or fuel oil. Sufficient fuel services shall be provided to maintain the residential shelter at a reasonable temperature during the months when conditions require heat. The Trustee will not pay late fees, deposits or trip charges.

The Trustee does not pay for cable TV or satellite service.

All utility bills must be in the name of the applicant or an adult member of the household or a landlord if applicant proves that the applicant is responsible for utility payment. All applicants will be required to apply for the Energy Assistance Program. During the period the applicant or member of the applicant's household has been approved for the Energy Assistance Program, the applicant and/or member of the applicant's household must continue to make payments on their utility bills as reasonably determined by the Trustee. Once the Energy Assistance Program has ended, the Trustee will not authorize utility assistance if payments have not been made unless proof is provided of other emergency payments that prohibited the applicants from making utility payments. Applicants may be asked to sign a deferred payment agreement with the utility company if the Trustee determines this to be economical and practical. If the Trustee determines that a utility is going to be disconnected regardless of the amount of township assistance provided, the Trustee may decide not to provide such utility payment. The Trustee will not pay utility bills that are more than 24 months old.

**IMPORTANT:** It is the responsibility of any adult member of the household to seek assistance before the utility is actually disconnected to prevent the overuse and wasting of additional community services.

Utility allowances will be determined in accordance with the standards established in Appendix 5 of the Guidelines.

The Trustee will not pay for any utility service received as a result of a fraudulent act.

***F. Medical Services (IC 12-20-16-2)***

The Trustee shall in cases of necessity pay for medical services including doctor's fees, allowable medical supplies, prescriptions and special dietary needs unless these goods and services are available through other government programs.

The Township is under no obligation to provide medical services and/or prescription medications that are excluded for payment by either Medicaid or the Medicare program (IC 12-20-16-2(b)). The Township is not responsible for paying for insulin if the Township has evidence that the applicant has the financial ability to pay for the insulin. The Township will pay only for a medical service which has been applied for and approved by the Trustee prior to the service being rendered. The Trustee may pay for emergency medical

services if the otherwise eligible person is admitted as an emergency patient due to an accident or sudden illness.

State law establishes specific restrictions on the types of medical assistance which trustees may provide. For more detailed information, see Appendix 3 of the Guidelines.

***G. Traveler's Aid (IC 12-20-9-3)***

The Trustee may provide assistance to persons or family units passing through the Township and to permit their return to place of legal residence.

Non-residents applying for traveler's aid shall be informed of their future ineligibility for assistance and will be required to cooperate in signing a statement acknowledging their understanding of their eligibility status. This statement may be used as the basis for denial of future assistance.

Applicants requesting gasoline assistance must provide a valid driver's license and proof of insurance.

Applicants requesting transportation assistance to a location outside the Township may be required to complete workfare obligations before assistance is granted. They will also be required to provide verification that their destination is their residence.

***H. Funeral Expenses (IC 12-20-16-12)***

The Trustee may provide for mortuary and burial expenses at the lowest possible cost, not to exceed \$1,600 for burial and \$1,100 for cremation, if not eligible for Medicaid or VA burial benefits. Family members will be required to attest that the deceased does not have resources (including insurance policies of the deceased) available to them with which to pay funeral expenses by completing an application for township assistance prior to making arrangements with a funeral home.

The Trustee will pay for a cremation rather than a burial unless there is a prior objection in writing by the deceased individual or a surviving family member. If there is good cause to believe that a written objection to cremation may exist or will be made by a relative, then a period of 3 working days will be provided. If no objection is received within 3 days, the Trustee will determine whether to do a burial or cremation. See Appendix 7 of the Guidelines.

Funeral home and burial expenses covered by the Township are for basic goods and services only as agreed upon by the Township Trustee and Funeral Home Director (a standard package). Either visitation the day prior to burial or same day of burial is included (not both). The cost of a gravestone is not included. The deceased person's family is allowed to upgrade the funeral at their own expense up to the current Medicaid standard of \$1,750 for funeral and \$400 for cemetery if the Township has agreed to provide assistance. The Township should receive a death certificate and an itemized statement (invoice) from the funeral home before making payment.

If an individual dies in the Township without leaving assets—money, real or personal property, resources that may be liquidated, or other means necessary to defray funeral expenses—and if the deceased was not a resident of another township in Indiana, then the Township Trustee shall provide a person to superintend and authorize either the funeral and burial or cremation of the deceased individual.

For further reimbursement of expenses to the Township, the Trustee may deduct from the maximum amount either or both of the following: any monetary benefits that the deceased individual is entitled to receive from a state or federal program; and/or any money that another person provides on behalf of the deceased individual above the Medicaid standard described in paragraph three of this section.

A township trustee who provides funeral and burial or cremation benefits to a deceased individual is entitled to a first priority claim, to the extent of the cost of benefits paid against any money or other personal property held by the coroner under IC 36-2-14-11.

The Township Trustee may file a claim against the decedent's estate for the cost of the cremation or burial if her/his assets are found to be sufficient for opening the estate.

***I. Recovery of Benefits (IC 12-20-27-1; IC 12-20-27-1.5)***

A trustee who furnishes township assistance may file a claim for the value of that assistance against the estate of a township assistance recipient who dies, leaving an estate, and who is not survived by a spouse, disabled adult dependent or dependent child less than 18 years of age.

The estate includes any money or other personal property.

If a trustee anticipates that a township assistance applicant or a member of the applicant's household is likely to receive a judgment, compensation, or a monetary benefit from a third party, the Trustee may require the applicant or the affected household member to enter into an agreement allowing the Township to pursue reimbursement from the third party; or sign a Social Security Administration's reimbursement authorization.

These agreements cover repayment of any township assistance benefits provided by the Township during the interim period. The interim period begins when the agreement or authorization is signed and ends when the applicant or member of the applicant's household receives the judgment, compensation, or monetary benefit or leaves the household.

This section does not apply to any assistance for which workfare has been satisfactorily completed.

***J. Other Assistance***

The Trustee may provide new or used clothing to keep persons warm and clean and may provide for necessary household supplies such as first aid equipment, minimal furnishings, utensils and appliances. The Trustee may also provide for transportation for medical appointments and to seek or accept employment when there is a reasonable likelihood of being hired. All such assistance will be provided at the most economical means. Applicants requesting gasoline assistance must provide a valid license and proof of insurance. Gasoline may be provided if public transportation is not practical.

**VIII. Work Fare (IC 12-20-11-1 thru 12-20-11-5)**

***A. Requirement***

All applicants and all adult household members will be required to work in return for assistance. The Trustee may arrange work for the Township or some other local government or non-profit agency unless one of the following conditions exists:

- ☐ Applicant or household member is not physically or mentally able to perform the proposed work and possesses a statement to that effect from a licensed medical doctor. Statement must be less than 30 days old.
- ☐ Applicant or household member is a minor or over 65 years of age.
- ☐ Applicant or household member has a child under school age and/or childcare is unavailable.
- ☐ Applicant or household member has full time (30 hrs./wk) employment at the time assistance is given and maintains full-time employment for an unbroken period of 30 days beginning the day assistance is granted.
- ☐ Applicant or household member is needed to care for a person as a result of that person's age or physical condition, as confirmed by a licensed medical doctor's statement less than 30 days old; or
- ☐ The Trustee determines that there is no work available for the applicant or household member;
- ☐ The individual obligated to perform the work is in the Impact program. Applicant or household member will receive workfare credit hours if compliance with Impact is provided.

- ❑ The individual obligated to perform the work is enrolled in GED classes, an alcohol and/or drug treatment program, or a work training program for a period of 30 days beginning the day assistance is granted. Verification of participation must be provided.
- ❑ Individuals currently receiving SSI monthly benefits are not automatically exempted from workfare. In order to be exempted, an SSI recipient must still meet one of the exempting reasons listed above.

***B. Supervised Through Trustee***

All work will be coordinated by and under the supervision of the Trustee's office. Assistance will be worked for at no less than the Federal Minimum Wage. Applicants and household members shall be required to attend their workfare assignment. The Trustee may require that workfare obligations be completed before any assistance is granted. Failure to work as scheduled or failure to fulfill workfare obligations within a reasonable period required by the Township Trustee is a basis for denying further assistance to the recipient or the recipient's household for not more than 180 days.

The Township Trustee may require a township assistance applicant or an adult member of the applicant's household to satisfy all obligations to perform work incurred in another township before additional township assistance is granted. However, in case of an emergency, the Trustee may temporarily waive the work obligation incurred from another township and provide temporary assistance to an applicant or a household in order to relieve need or immediate suffering.

**IX. Other Program Eligibility (IC 12-20-6-5) (IC 12-20-6-5.5)**

***A. Requirement to Apply for Other Assistance***

If the Township Trustee determines that an applicant or a member of the applicant's household who is granted emergency township assistance may be eligible for assistance other than township assistance, the applicant or household member shall within 15 working days file an application and comply with all the necessary requirements for completing the application process. An applicant or household member who fails to do this may not be granted township assistance for 60 days following the date emergency township assistance was provided.

***B. Application for Public Assistance Before Granting Township Assistance***

If, before granting township assistance, the Township Trustee determines that an applicant or a member of an applicant's household may be eligible for assistance other than township assistance, the applicant or household member shall, when referred by the Township Trustee, make an application for public assistance administered by the Family Social Service Administration (FSSA) or any other federal or state government entity and must comply with all necessary requirements for completing the application process. An applicant or a household member who fails to file an application per the Trustee's referral and fails to show evidence that the application was filed within 15 working days of the referral may be denied township assistance for not more than 60 days after the Trustee's referral.

This entire section, however, does not apply in an emergency.

***C. Reduced Benefit for Failure to Properly Apply Other Benefits***

Failure to properly apply public monies or private charitable donations received by the applicant from other programs may result in denial of assistance. An applicant or household member who has had benefits reduced from other public programs because of voluntary actions or non-compliance with program requirements may have equal reductions made by the Township from any benefit the applicant may qualify to receive.

***D. Protective Payee***

The Trustee may report to other government agencies, including the Family Social Service Administration or Social Security Administration, the misuse of funds by a recipient. When reporting misuse of funds, the Trustee may officially recommend that the recipient's payments be placed in the hands of a protective or

designated payee. The Township may refuse to extend aid to an individual or household member until such time or the person initiates and executes the proper papers for obtaining a payee to handle the finances.

**X. Reasons for Denial**

***A. Failure to Comply with Guidelines***

Failure to comply with any requirements set forth in these guidelines may be grounds for denial of assistance. In addition, any of the following shall be considered grounds for denial of assistance:

- ☐ Willful giving of false information or withholding information.
- ☐ Voluntary termination of gainful employment; firing for just cause, i.e. absenteeism, theft; failure to pass an employer's drug screening test. The Township Trustee shall not be obligated to provide assistance for 60 days from the date employment is terminated. Refusal of gainful employment or failure to seek employment is a basis to deny assistance for up to 60 days.
- ☐ Use of violence, intimidation or abusive language in or around the Trustee's office or premises.
- ☐ Failure to follow printed work order requirements as explained and outlined in the workfare agreement.
- ☐ Failure to accept free or low cost shelter arrangements provided by relatives, the Township or others.
- ☐ Abuse or voluntary termination or reduction of any other programs in the last 180 days offering assistance for basic necessities, including TANF, SNAP, subsidized housing or other programs for which the applicant may be eligible.
- ☐ Eviction in the last 180 days from subsidized housing for violation of regulations or guidelines.
- ☐ Failure or refusal by any household adult to sign the Township waiver authorizing release of information concerning the application.
- ☐ Ineligibility for SNAP benefits due to alien status.
- ☐ Having sufficient income to provide for necessary living expenses, regardless of meeting the Township's income guidelines.
- ☐ Failure to respond to the Trustee's request to pursue other assistance or provide documentation of pending applications.
- ☐ Past abuse of food purchase order privileges or other assistance provided by the Township.
- ☐ Excessive, unnecessary and/or luxury expenses.
- ☐ Failure or refusal to sign Township Reimbursement Form for SSI.
- ☐ Failure to file paternity actions when necessary and appropriate, or failure to take necessary legal action to pursue child support.
- ☐ Failure or refusal to cooperate with or provide the Trustee's office with necessary information to determine eligibility for assistance.
- ☐ Conviction of an offense under IC 35-43-5-7 (Welfare fraud). Persons convicted of a misdemeanor are ineligible for township assistance for one year from their conviction; ten years if a felony conviction.
- ☐ Violation of rules and regulations for Rosie's Place.

***B. Wasted Resources***

Non-necessities or non-essential expenditures (also known as wasted resources) include:

- ☐ Those items prohibited from purchase with food purchase orders including candy, soft drinks, tobacco products, snacks, imported foods, cookies, alcoholic beverages, pet food and pet supplies, whether purchased with cash or purchase orders;
- ☐ Court costs, probation fees, garnishments or other costs incurred through or by the criminal or civil justice systems (i.e. bail, user fees for an in-home detention program, restitution, substance abuse fees);
- ☐ Bank penalties or overdraft charges;
- ☐ Cable TV, satellite dishes, or other entertainment costs;
- ☐ Childcare expenses that are not required by employment or medical purposes;
- ☐ Transportation expenses not justified or required for medical, employment or employment-seeking purposes;
- ☐ Payments toward living costs incurred by other households;
- ☐ Loan and credit card payments including pay day loans, rent-to-own payments, etc.;
- ☐ Personal loans made by the applicant to other persons;

- ❑ Non-basic phone charges exceeding \$50.
- ❑ An automobile is not, by statute, recognized as a basic necessity. Therefore, automobile payments and other related expenses may not be considered an acceptable expense, unless it is necessary to maintain current employment. Then, the reasonableness of the expenditure will be considered.

The total amount of payments made toward non-necessities for the period in which assistance is being requested may be deducted from an approved applicant's benefit level; or may be used as a basis for denial if the amount exceeds the applicant's benefit level; or be used as a basis for denial if the amount for which the request for assistance is being made is less than the total amounts dedicated by the applicant for payment towards non-necessities. Example: a request is made for a one-month utility bill but the applicant has expended more than the cost of the utility bill on provision of non-necessities during the period for which the request for assistance is made; the request for assistance can be denied.

## **XI. Trustee Obligation/Notification of Decision**

### ***A. No Verbal Denials (IC 12-20-6-7; IC 12-20-6-8)***

In order to protect the rights of all applicants who are potentially eligible for township services, no citizen will be verbally denied assistance. All applications must be in writing on the appropriate forms, and all determinations of eligibility will be made in writing on Form TA-1A.

### ***B. Decision Notification (IC 12-20-6-7; IC 12-20-6-8)***

Applicants are entitled to a decision on their completed applications within 72 hours or 3 working days (excluding weekends and holidays) unless the investigation cannot be completed because the applicant has not submitted the required information, or the Township is unable to gather necessary information.

If the Township experiences difficulty in gathering necessary information, the applicant will be notified that the case will be pended to allow the Township an additional 72 hours, or 3 working days, to complete the investigation. Should the Township be unable to access the required information within 72 hours, or 3 working days, of issuing the notification, the Township may deny the application.

All decision notifications will include the following information:

- ❑ The type and amount of assistance granted, denied, or partially granted;
- ❑ Specific reasons for denying all or part of the assistance requested;
- ❑ Information advising the applicant of the procedures for appeal to the Monroe County Commissioners

### ***C. Appeals Process (IC 12-20-15-1 thru 12-20-15-9)***

If any action taken by the Township Trustee is not acceptable to any applicant, the applicant may appeal the decision to the Monroe County Commissioners in Bloomington, Indiana. A form describing the process for appeals is attached to the TA-1A form used to inform applicants of the Trustee's action.

## **XII. Availability and Annual Review of Guidelines (IC 12-20-5.5-1)**

All decisions regarding the eligibility of applicants will be based on these standards and Guidelines and in accordance with Indiana law. The Guidelines will be posted in the office of the Township Trustee at all times and will be filed with the County Commissioners. Any member of the public will be permitted to inspect and copy them. Copies will be made available to interested public and private social agencies at their expense.

The Township Trustee may provide benefits beyond those listed when special need is shown. The amount and length of assistance, when added to all other income and resources, shall be sufficient to meet the needs as determined by the Trustee.

These guidelines shall supercede any and all previous guidelines. The appendices listed on the next page are also incorporated as part of these guidelines.

## **APPENDIX 1-DEFINITIONS AND EXAMPLES**

The following definitions and examples are provided to further explain portions of the Township Assistance Guidelines and Standards.

### **Section 1a – Introduction**

IC 12-20-17-1 states that if a township trustee determines by investigation that a township assistance applicant or a township assistance applicant's household requires assistance, the township trustee shall, after determining that an emergency exists, furnish to the applicant or the household the temporary aid necessary for the relief of immediate suffering. However, before any further final or permanent relief is given, the township trustee shall consider whether the applicant's or household's need can be relieved by means other than an expenditure of township money.

IC 36-1-2-4.5 defines emergency as a situation that could not reasonably be foreseen and that threatens the public health, welfare, or safety and requires immediate action.

### **Section 1b – Application Process**

Household members or members of the applicant's household include any person who lives in the same residence as the applicant. (IC 12-20-6-0.5)

Relevant information which the Trustee may require and consider in determining eligibility includes but is not limited to:

- ☐ Names, birthdates, and social security number for all persons living in the household.
- ☐ Picture ID or driver's license for anyone 18 or older.
- ☐ Car registration and insurance policy on all vehicles.
- ☐ A completed budget sheet for the previous 30 days or for the period in which the request for assistance is being made.
- ☐ Verification of income for all members of the household for the previous 30 days or for the period in which the request for assistance is being made.
- ☐ Expense receipts for the previous 30 days or for the period in which the request for assistance is being made. Handwritten receipts are accepted only when written in the presence of a Township staff member; all receipts are subject to verification.
- ☐ Bank statement, debit/check cashing cards showing activity for the past 30 days or for the period in which the request for assistance is being made.
- ☐ Financial aid statement from any college or university, including online education, that shows the date and amount of aid refunded in the past 90 days and anticipated refunds.
- ☐ Income tax refunds and retroactive back pay from social security received in the past 90 days.
- ☐ A valid utility bill.
- ☐ A current lease that includes the names of the applicant and all adult household members.
- ☐ Acceptable residency documentation which includes current driver's license, motor vehicle registration, utility bill, US Postal Service change of address notification, and current lease for housing.
- ☐ Verification of medical status if claiming medical reason for being unemployed.
- ☐ A valid prescription for any medication request (IC 12-20-6-9).
- ☐ Copy of police report to verify reported theft.
- ☐ Proof of applications pending for other types of assistance.
- ☐ Proof of employment status.
- ☐ TANF and/or SNAP benefit letter or case ID number.

### Section 1c – Applicant Residency Requirement

Relevant information used to determine residency is defined in Section IV of the Township Assistance Guidelines.

As defined in IC 12-20-6-10(a), a relative includes the spouse, parent, stepparent, child, stepchild, sibling, stepsibling, grandparent, step-grandparent, grandchild, or step-grandchild of a township assistance applicant.

### Section 1d – Eligibility Requirements

Living necessities or basic necessities or acceptable expenditures include those needed to provide food, shelter, clothing, essential utilities, basic telephone and internet expenses and transportation costs directly related to employment. Child support payments may be recognized as an acceptable expenditure when paid through a county clerk's office.

Non-necessities or non-essential expenditures are also known as wasted resources.

Applicants claiming disability must apply for appropriate disability pensions with Social Security, Indiana Vocational Rehabilitation, Worker's Compensation, or some other government operated or supervised program which conditions benefits on disability.

### Example from Section V. H.: Acceptable Expenditures for Basic Necessities.

If a bill is unpaid for 30 days and further non-payment may result in loss of service, the applicant must document household income and expenditures for the prior 30 days in order for the Trustee to determine that the applicant could not provide payment for the service and had exhausted all other remedies during the period in question.

### Section 1e – Income Guidelines

Countable household income for determining eligibility includes that gross income which is available to the household from any source. This includes wages, self-employment, other financial aid programs, child support payments, spousal support, sale of blood or property, gifts from friends, institutions and family. Applicants who are self-employed will be required to provide the Township with credible financial records establishing their income and expenses.

Court-ordered expenditures such as those listed in Section V will not be deducted from gross income amounts in order to establish eligibility for township assistance purposes.

## **APPENDIX 2 – MAXIMUM INCOME ELIGIBILITY STANDARDS**

An applicant's gross monthly household income must be less than 100% of the federally established poverty level. The federal maximum income eligibility standards are revised annually.

## **APPENDIX 3 – ALLOWABLE MEDICAL EXPENSES**

The following are the specific guidelines for allowable medical expenses as referenced in Section VII. E. of these Standards and Guidelines and as established in IC 12-20-16-2 (c).

The Township Trustee shall pay only for the following medical services:

- ❑ Prescription drugs as prescribed by an attending practitioner (as defined in IC 16-42-19-5) other than a veterinarian. Prescriptions are not to exceed a 30-day supply. The Trustee will pay only for generic when available. Narcotic prescriptions will not be provided if a non-opiate drug is available.
- ❑ Office calls to a physician licensed under IC 25-22.5-1-1.1.
- ❑ Dental care needed to relieve pain or infection or to repair cavities in the most economical manner.
- ❑ Repair or replacement of dentures. The initial cost of dentures will be considered only when the medical necessity has been documented.
- ❑ Emergency room treatment that is of an emergency nature.
- ❑ Pre-operation testing prescribed by an attending physician licensed under IC 25-22.5-1-1.1.
- ❑ Over-the-counter drugs prescribed by a practitioner (as defined in IC 16-42-19-5) other than a veterinarian.
- ❑ X-rays and laboratory testing as prescribed by an attending physician licensed under IC 25-22.5-1-1.1.
- ❑ Visits to a medical specialist when referred by an attending physician licensed under IC 25-22.5-1-1.1.
- ❑ Physical therapy prescribed by an attending physician licensed under IC 25-22.5-1-1.1.
- ❑ Eyeglasses, eye exams, eyeglass repair or replacement. The Township will not pay for contact lenses, unless medically necessary.
- ❑ Repair or replacement, not initial cost, of a prosthesis not provided for by other tax supported state or federal programs.
- ❑ Insulin and items needed to administer insulin in accordance with IC 12-20-16-2(c) not to exceed a 30-day supply.

#### **APPENDIX 4 – ROSIE’S PLACE SHELTER RULES AND REGULATIONS**

1. The only people who are allowed in the shelter are those members listed on the agreement. No visitors or overnight guests are allowed.
2. YOU MUST REPORT IN WITH YOUR CASEWORKER EACH DAY BETWEEN 9:00 A.M. AND NOON, except when the office is closed. If you fail to check in each day you will not be allowed back into the shelter unless you have a valid reason. The shelter will be inspected daily.
3. You will be required to work up to 2 hours in the Workfare Program for each night of shelter, unless you are employed full time (30 hrs./wk) or have a medical disability or have children under school age and childcare is unavailable. If you are currently unemployed you must be actively seeking employment. Your caseworker will provide employment information and an employment search form.
4. Alcoholic beverages, smoking, and controlled substances are prohibited in the shelter. Smoking is permitted only in the designated area. Residents are asked to extinguish cigarettes only in the receptacle provided. No unauthorized weapons are allowed. You will be evicted for any violation of these rules.
5. Damage to the shelter will result in immediate eviction and possible prosecution through the courts.
6. The shelter does not have an on-duty supervisor. However, employees of the Bloomington Township Trustee’s Office, New Hope Family Shelter and the Police Department have the right to inspect the shelter at any time.
7. Children under the age of 12 are not to be left unsupervised at any time.
8. You may only bring 3 bags of clothing/personal items to the shelter. No furniture may be brought into the shelter. Towels and linens will be provided to you, if needed. You must turn in your linens and towels at the time you move out of the shelter. Items left in the shelter will be donated to a non-profit thrift store after 7 days. We are not responsible for your property that is lost, stolen, or left in the shelter.
9. You are responsible for cleaning the shelter daily. In the winter, you are responsible for shoveling the walk from the shelter to the driveway.

I fully understand and agree that my stay in the shelter is limited, and I am expected to put effort into obtaining more suitable permanent housing.
